

12 th District Agricultural Association

Comments submitted by the OHV Division to individual grant applicants should in no way be construed as a guarantee of successful results for the applicant within the competitive grants process or a commitment of funding. Additionally, the lack of comments by the OHV Division to any specific applicant does not ensure successful results for the applicant within the competitive grant process or a commitment of funding.

Please note: If multiple proposed projects are requesting funding for the same deliverable, and multiple projects are successful, only one project will receive funding for the deliverable.

General Evaluation Criteria

- #3A – The applicant checked box “3 or more skill levels indicated by publicly available maps or signage” – this does not appear to be consistent with what is available in terms of maps or signage.
- #3B – The applicant checked box “Opportunities for 3 or more vehicle types” – this appears to be unsupported by project description.
- #8A – The applicant checked boxes “Free literature is provided to visitors describing safe and responsible OHV recreational practices” and “Bulletin boards, signs or kiosks, at the majority of staging areas, trailheads, or other areas where the public gathers provide information concerning safe and responsible OHV recreation”. This appears to be unsupported by project description and/or available on sign signage.
- #12B – Explanation does not support the “Yes” selection.
